

CoSeRa 2016

4th International Workshop on Compressed Sensing Theory
and its Applications to Radar, Sonar, and Remote Sensing

19–22 September 2016 · RWTH Aachen University · Super C

Keynote speakers

Michael Davies (University of Edinburgh) · Joachim Ender (Fraunhofer FHR) · Albert Fannjiang (University of California, Davis)

Tutorial

„A guided tour of algorithms for sparse recovery“ by Massimo Fornasier (TU Munich)

Deadlines

Full five-page paper submission: 30 April 2016 · Notification of acceptance: 13 June 2016
Final camera-ready papers and author registration: 31 July 2016

Organising Committee

General Chairs: Holger Rauhut (RWTH Aachen University) · Fulvio Gini (University of Pisa)
Vice Chair: Joachim Ender (Fraunhofer FHR)

Technical Programme Chairs

Matthias Weiß (Fraunhofer FHR) · Ludger Prünte (Fraunhofer FHR)
